Letter No L 346-2 dated 20-8-36 from the Director of Health forwarding letter No D3-193/36-37 dated 16-7-36 from the Dy Commr Mysore District and recommending that Mr H Krishnamurthy Rao may be given a pay of Rs 63 p m with effect from 17-12-1936 3

10 The facts of the case have been explained in detail in the petition itself Mr H Krishnamurthy Rao was a permanent Sanitary Inspector drawing a pay of Rs 47 from 27-11-26 He was afterwards appointed as Village Panchayat Inspector and continued Panchayat Clerk and Inspector and he is now a Sanitary Inspector in the Gundlupet Municipality on a pay of Rs 35+5 p m Mr Krishnamurthy Rao requests that, as in the case of other former Village Panchayat Inspectors who were given enhanced pay after they were absorbed as Sanitary Inspectors, he may be given a pay of Rs 65 p m from 27-11-35 which he would have got in the usual course, had he continued as Sanitary Inspector

11 The Deputy Commissioner, Mysore Dt states that the case of the Sanitary Inspector is deserving

of sympathetic consideration in view of the fact that he has put in 17 years of service and that his work was (to be uniformly) found satisfactory. The Director of Health recommends that the service rendered by the officer as Village Panchayat Inspector may be counted as service qualifying for the grant of increments and that he be given a pay of Rs 63 p.m. with effect from 17-12-1934

12 The case of Mr H Krishnamurthy Rao seems to be analogous to those of Mr Mudaliar and Mr B.S. Ramanuja Iyengar (these cases have been put up for reference in another connection) who were given a pay of Rs 72 p.m. from 16-1-34 having regard to the long service put in by them as Sanitary Inspectors of Bangalore & Mysore Dt Boards. were also shown similar concessions

T⊗ S× A J×

13 In the above circumstances, the recommendation of the Dr of Health may perhaps be sanctioned and he may be requested to transfer the officer to another place, as the post in the Kyndlupet Municipality carries only a pay of Rs 35-2-55 p.m.

14 Submitted for orders

but it is my misfortune that I had to suffer heavily in my emoluments losing my increments and even the pay of Rs 47/- which I was getting in March 1927 when I joined as Panchayat Inspector

5 I therefore respectfully appeal to your Honour that most of the Sanitary Inspectors who were appointed as Panchayat Inspectors and who suffered consequently on the abolition of the posts were given their emoluments and started on higher salary after they were reappointed as Sanitary Inspectors

I understand that in the case of my colleagues Mr B S Ramanuja Iyengar and others who were also thrown out Panchayat Inspectors and subsequently absorbed as Sanitary Inspectors the question of pay was settled recently I do not know why my case was left out Had I continued only as a Sanitary Inspector without any transfer to Village Panchayet branch, I too would have drawn in the usual course a pay of Rs 65/- from 27-11-35 as shown in the margin and I have lost all for no fault of mine

6 Under the above circumstances I respectfully appeal to your mercy with a request to consider my hard and pitiable case sympathetically and be gracious enough to fix me at Rs 65/- from 27-11-35 and to allow me to draw all increments as they fall due as the benign Government has been gracious enough to extend such concession in the case of my several brethren officials

I have submitted several applications in the matter through the proper channel

The facts mentioned in the interview seem to be true. I see from the Service register that this Sanitary Inspector is getting a total service of 17 yrs and he has given me entire satisfaction in the discharge of his duties during the period of his service under me. He has had a very chequered career and has suffered much financially for no fault of his. His case deserves very sympathetic consideration.
